8 Crescent Town Road Unit 108

Steps to subway and park and a short drive to the Beach and to Danforth Village. This 3 level town home, is quite roomy, over 1500 Sq ft in all. Well maintained freshly painted unit, with a newly renovated bathroom, deep soaker bathtub (Mirolin), custom built vanity and wall mounted cabinets, custom built in mirror framing, all new Moen fixtures (chrome with brass accents), new light fixtures. This is a great sunny, south facing " end unit" , which is a rare find. It has many upgrades including a newer floor in the main level. Lovely open concept with a sun filled living room and dining room with a great walk out to patio. Both bedrooms have walk outs to a covered deck/balcony, master bedroom is very roomy and has a very large walk in closet. Upper level with large bedrooms and den/dressing room/ office. Roomy bright and airy high finished basement with a full bathroom and a separate entrance. The great facilities in the complex include health club, pool, exercise room, games rooms, racket and squash courts, and renovated halls etc. New light fixtures and receptacles throughout the unit, freshly newly updated laundry room with new laundry sink. Basement has a full bath and a separate entrance and rec room, also access through underground garage from both main entrance and basement entrance.
